## Lighting Specification Sheet

UL & cUL File Number: E488919

## Porcelain Panther

This design was based off of similar 1950s Czech warehouse pendants. These oversized pendants have an aged black porcelain enamel finish. The fitter is cast potted metal with a unique rough-cast aluminum clasp, similar to sash-locks on a window. The top fitter is also available in black, red, and green. Prismatic lens is optional.

**Height:** 20 in. **Diameter:** 22.5 in. **Weight:** 20lbs.
